Indexing ↑

After publication in *Bothalia - African Biodiversity & Conservation Journal*, the complete text of each article is deposited immediately and permanently archived in major bibliographic databases:

- Elsevier SJR Scopus
- Thomson Reuters Products
 - Science Citation Index Expanded
 - Current Contents – Agriculture, Biology & Environmental Sciences
 - BIOSIS Preview
- AETFAT Index
- AGRICOLA
- AGRIS
- CABS
- CABACCESS
- CAB Abstracts
- Kew Record of Taxonomic Literature
- Taxon: Reviews and notices
- Ebsco Host
- ProQuest
- Gale Cengage Learning
- AOSIS Publishing Library

Additionally, *Bothalia - African Biodiversity & Conservation Journal* uses the LOCKSS (Lots of Copies Keep Stuff Safe) system to create a distributed archiving system amongst participating libraries and permits those libraries to create permanent archives of the journal for purposes of preservation and restoration.

The journal is always seeking to establish a LOCKSS-compliant archive with university libraries. The URL to the LOCKSS Publisher Manifest for *Bothalia - African Biodiversity & Conservation Journal* is: <http://www.abcjournal.org/index.php/abc/gateway/lockss>

Please inform us if you are using our manifest as we would like to add your name to the list above.

DoHET accreditation ↑

The following lists are regarded as accredited journals by the South African Department of Higher Education and Training (DoHET):

Journals appearing on the IBSS:

- International Bibliography of the Social Sciences (IBSS)

Journals appearing on the three indices of Thomson Reuters products:

- Science Citation Index (*Bothalia - African Biodiversity & Conservation* is on this list)
- Social Sciences Citation Index
- Arts and Humanities Citation Index

List of approved South African journals: Journals that do not appear in the abovementioned international indices but are published in South Africa and meet specific criteria may be included in this list.
